VILLA PONIENTE BY BUCCARA

Spend unforgettable days at Villa Poniente in Villajoyosa. Spread over two floors, the three bedrooms with two adjoining bathrooms and a guest bathroom offer enough space for up to 6 people. All rooms are of course air conditioned. The interior of the villa is rustic and Mediterranean, using natural materials, especially wood and stone. The luxurious, detail-loving decor completes the overall concept.

In November 2016, the extensive modernization and reconstruction work was completed. The fantastic location directly on the sea guarantees beautiful sunsets. Enjoy sunny days on the beach, which can be reached by a staircase directly from the villa. The spacious terrace with fireplace and an endless view over the sea invites you to barbecue evenings. For vehicles a double garage is available.

The Villa Poniente is located in the exclusive Montiboli area, which is part of Villajoyosa's small Fishermen's Village. It is known for its beautiful natural beaches and the colorfully painted houses right on the coast. Stroll through the old town, over the markets with specialties from the region and past the 125-year-old chocolate factory with adjoining museum.
